Textbook

We will be using the text *Algebra and Trigonometry*, 4th edition, by Stewart, Redlin, and Watson. You can purchase online access to this text and the WebAssign online homework platform by going to <http://getenrolled.com> and entering the following class key.

ccny 0583 5590

Continue the enrollment process by following the instructions [here](#). If you are creating a new account, please enter your first and last name as they appear on CUNYfirst. After this, your 14-day free trial will begin. When your free trial expires you will need to purchase access for the semester. The cost is approximately \$40.

Free Tutoring

The college is providing free in-person tutoring in Marshak 403 for all math classes 12-5pm Monday-Thursday, 6/6-8/2. No appointment is necessary.

Grades

20%	Quiz Average	Daily
20%	Exam 1	Th 6/23 (tentative)
20%	Exam 2	Tu 7/19 (tentative)
40%	Final Exam	Tu 8/2

However, your Final Exam score will replace all lower scores on quizzes and exams. One way to think about this is that your score on the Final Exam is your course grade, and all other exams and quizzes are extra credit.

Attendance

Students are expected to attend all lectures. It is your responsibility to know what happens in class. The best way to fulfill this obligation is to come to every class meeting. I will take attendance because I have a duty to maintain accurate records relating to our course.

The use of calculators, notes, and/or formulas sheets is not allowed on quizzes/exams.

Academic Integrity

From the university's website:

Academic dishonesty is prohibited in The City University of New York. Penalties for academic dishonesty include academic sanctions, such as failing or otherwise reduced grades, and/or disciplinary sanctions, including suspension or expulsion.

Disabilities

Under the Americans with Disabilities Act, all members of the campus community are entitled to equal access to the programs and activities of CCNY. If you have (or think that you might have) a disability that may impact your participation in the activities, coursework, or assessment of this course, you may be entitled to accommodations through the AccessAbility Center/Student Disability Services. You can contact them at 212-650-5913, disabilityservices@ccny.cuny.edu, or by visiting NAC 1/218.

Whether or not you have documentation for accommodations, your success in this class is important to me. If there are aspects of this course that are not accessible to you, please let me know as soon as possible so that we can work together to develop strategies to meet both your needs and the requirements of the course.
